

Aris Batsoulis, President, MedCruise

Mr. Aris Batsoulis is the President of MedCruise, the Association of Mediterranean cruise ports, previously Senior Vice President (2017-2020). Aris is the Head of the Technical and Development Department and the Project Manager of several European-funded projects in the Port of Corfu, Greece. He is in charge of the cruise activities of the port since 2004.

An experienced professional engineer with over 20 years of work focusing on developing the central port of Corfu Port Authority along with its 36 smaller ports that PA manages.

Aris is a member of the Ferry and Cruise Port Policy Network of ESPO and an Associate Member of the Greek Cruise Coordination Committee since 2016. Among the Presidency tasks, Aris is leading the MedCruise Working Group as regards the optimisation of the cruise ships' berth schedule.
